

Dale W. Griffis II

PRESIDENT

Dale W. Griffis II founded Cold Harbor in 2000.

- Dale's primary role as company president is to actively work in our client's best interests throughout the duration of the project. He carefully monitors quality control and provides timely issue resolution to try to guarantee client's job satisfaction.
- Construction professional with over 30 years of experience.
- Prior to Cold Harbor, Dale worked at the Albert M. Higley Company on projects that included Cleveland Browns Stadium, Cleveland Hopkins Airport Continental Hub, and Key Tower.
